

Iowa Physical Therapy Association

DISTRICTS

NORTHWEST DISTRICT

SOUTHWEST DISTRICT

- The Iowa Physical Therapy Association & Foundation is divided into four geographic districts shown above. Each member is assigned to a district based on the address listed in this directory.
- The districts are represented on the board of directors by a chairperson and two directors elected by the district members. In addition, the districts elect their own officers (advisory committee) and members of other committees.
- Districts meet a minimum of four times a year and normally offer a continuing-education program in conjunction with the district meeting. Meetings are normally announced by mail and e-mail if you report an e-mail address in your APTA member profile.
