

RULES GOVERNING THE IOWA PHYSICAL THERAPY FOUNDATION OLIVE FARR STUDENT SCHOLARSHIPS

- **INTRODUCTION AND PURPOSE**

The Iowa Physical Therapy Foundation established an annual \$500 physical therapist student scholarship in 1983. An annual \$250 physical therapist assistant student scholarship was established by the Foundation in 1995 which was initially funded by a contribution from physical therapists Steven and Susan Bell. The Foundation has since increased these awards so that each year four SPT and one SPTA student scholarships are awarded. The scholarships are made possible by a bequest to the Foundation from Olive C. Farr, PT, first director of the physical therapy education program at the University of Iowa.

- **AWARD**

The SPT scholarship recipients will receive \$500 each. The SPTA scholarship recipient will receive \$250. The scholarships will be presented at an awards ceremony held in conjunction with the annual Spring Conference of the Iowa Physical Therapy Association & Foundation. Scholarship recipients may invite family and friends to the luncheon as guests of the Foundation.
